Thank You!

For sixty years, the success of the Community Service Council's work has been rooted in the commitment and hard work of the countless people and organizations who have participated in our many coalitions, study groups, alliances, and committees – and who have provided the essential volunteer leadership, staff support, and financial resources.

On behalf of all of us at the Community Service Council, and the people whose lives have been touched by the Council's work for the past six decades, sincere thanks to each of you!

Special thanks to the Tulsa Area United Way and its generations of donors for continuous support since 1941!
