COMMUNITY SERVICE COUNCIL

We are happy to schedule in-service trainings with our staff and partner agencies included in the 211 Eastern Oklahoma database. These training sessions allow our team to gain an in-depth understanding of your services and ask clarifying questions to ensure we are providing the community with resources that best fit their needs.

In-service trainings are currently held via Zoom in two, back-to-back, 45-minute sessions to ensure all 211 staff can attend while maintaining our frontline calls.

Recent in-service trainings include Tulsa Responds, Goodwill of Tulsa, Family & Children's Services and Tulsa Day Center.
